

Make Dad a personalised watch for Father's Day!

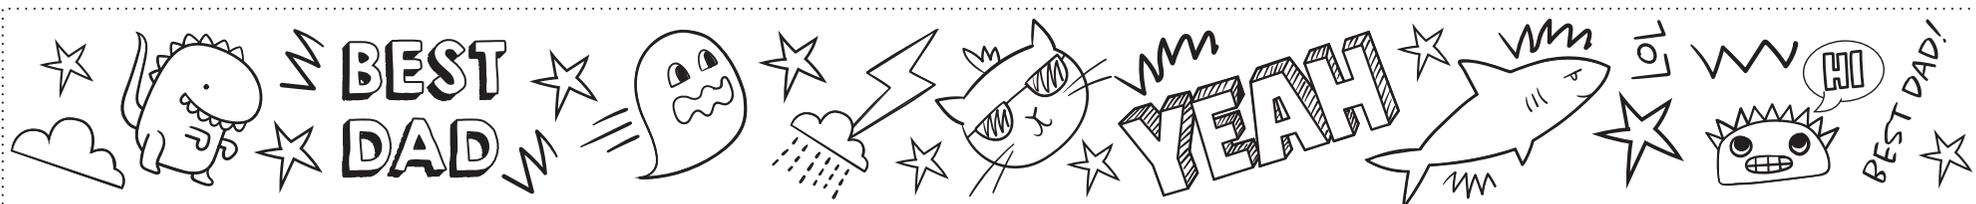

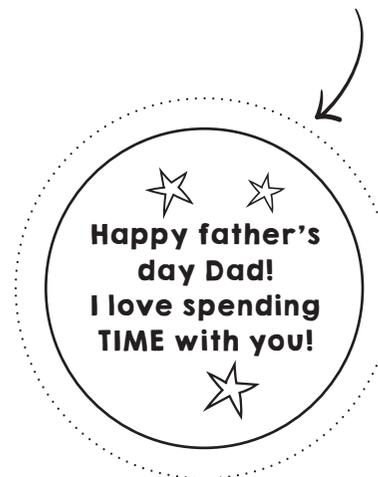

Time flies when you're having fun with Dad!

Steps:

1. Colour in your watch band and watch face.
2. Carefully cut out your watch along the dotted lines. Ask an adult for help when cutting.
3. Use a gluestick to glue the watch face to the watch band.
4. Get some sticky tape and flip it sticky side up. Connect the sticky ends to one another and stick on the underside of one of the watch ends.
5. Gift to Dad to try on!
