THANK YOU CARD

Write a thank you card to your Mum, Dad, teacher, brother, sister or friends and show them you care! Cut carefully around the edges (ask an adult if you need help). Don't forget to colour it in!

Cut along the dotted line!

A large rectangular area enclosed by a dotted line, intended for writing a message. A solid horizontal line is drawn across the middle of this area, serving as a fold line. To the right of the fold line, there is a drawing of a rainbow with two clouds above it. To the left of the rainbow, the words 'THANK YOU' are written vertically in a large, bold, outlined font. A vertical line is drawn to the left of the text, indicating where to fold the card.

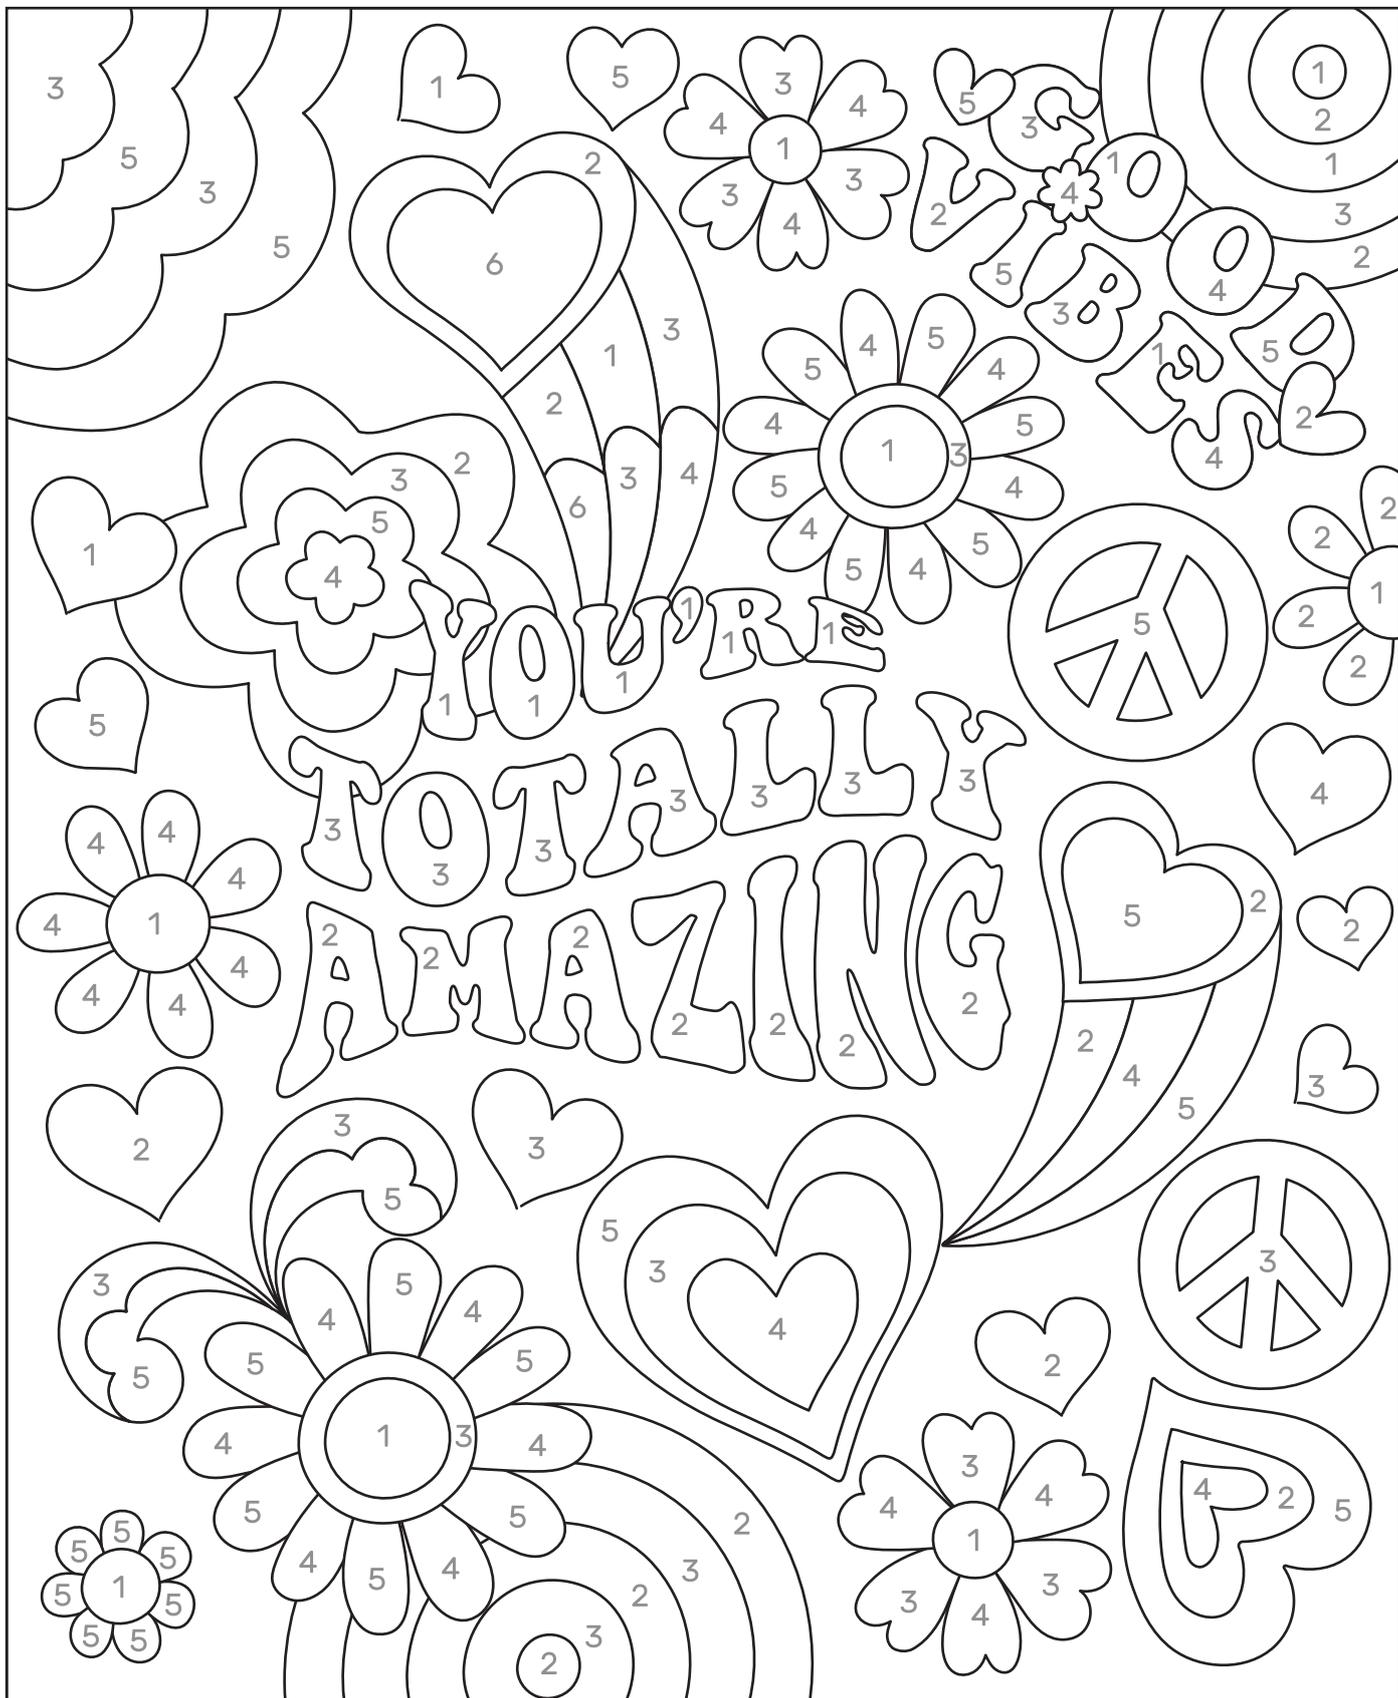

Fold in half here!
